**Warm Up:** The studio will be open for everyone for a physical warm up or stretching before the day begins.

**Walk & Talk:** Taking a walk with a partner, 10 minutes out, 10 minutes back. It is the opposite of having a conversation in a way, as when you travel one way you only talk about yourself, and as you travel back/the other way you only listen. An interesting way to get to know people a little better, without the need for small talk.

**Toolbox:** A session where we each contribute a single solution from our experience to pressing problems or the topic in hand.

**Open Session:** Participant-led sessions on themes of interest that arise during the week, and in response to burning questions.

**Free Time:** Coombe Farm Studios will provide a sketchbook in your room. Please use this however you choose – it's your private place to scribble, sketch and record your own thoughts as you need to. (Please bring your own notebook too, for general notetaking.)

**Please note:** Everyone is welcome from 4:30pm onwards at Coombe Farm Studios on Sunday afternoon, and dinner is provided for all participants, guest speakers and partners that night at 7:30pm.
